Description:

In the charming town of Totana, a unique opportunity presents itself that you cannot miss: a fantastic house with a plot of 18,000 m² with the right to water from a well and a transfer for irrigation, about 60 olive trees and other types of trees in the area of Raiguero Alto. This place, surrounded by a natural environment, offers the perfect balance between tranquility and proximity to urban services. The house has a room with the possibility of expanding to two more rooms, a living room, a bathroom, a fitted kitchen, a covered porch, a barbecue, a terrace with fantastic views and an open porch. Contact us now for more information and to take the first step towards making your dreams come true in this wonderful area of Raiguero Alto. Your future home is waiting for you!
