Description:

Excellent 116 m2 apartment located in a four-story building above ground without elevator or garage in the center of Totana distributed in a living room with a small balcony, separate kitchen, laundry room, a bathroom and four bedrooms, the house is well preserved to be from the year 1965. The environment has basic urban infrastructure (public lighting, electricity supply, sanitation network, drinking water supply and sidewalk paving), which are apparently in good condition. The communications of the environment with the rest of the population are sufficient for the needs of the area.
